INTERMEDIATE SCHOOL

28 February 2021

Dear Parents/Caregivers and Whānau,

With the sudden move to Level 2 last night I thought I would share the following with you:

1. School will continue to operate as normal. Please make sure you continue to sign in at the office when you visit school.
2. Swimming sports scheduled for Monday have been postponed until we can find another date. If we cannot find another date they will be cancelled.
3. Camps for Rooms 4 and 1 will continue as planned.
4. A reminder that face masks are required for anyone over 12 using public transport. This does not include the school buses.
5. The Board meeting scheduled for Thursday this week will continue as planned.
6. We will continue to ensure that all classrooms have access to hand sanitiser and that soap remains available in all bathrooms. If you could remind your children to follow safe practices that would be a great help.

If we receive any further information or advice we will be in touch as soon as we can. As always, we thank you for your support and welcome any questions you may have moving forward.

Ngā mihi nui

Phil Tappenden
Principal.
