

ENROLMENT INFORMATION FOR INTERNATIONAL STUDENTS

Welcome to Kirkwood Intermediate School.

Thank you for requesting the Information Package for Enrolment.

International students have been a part of our school for many years. We welcome the opportunity to have students from different cultures and believe we provide an excellent learning environment for students from other countries.

In general, we offer places to approximately twenty-five students. We ensure that each class has an even distribution of students for whom English is their second language.

Kirkwood Intermediate has agreed to observe and be bound by the **Code of Practice for the Pastoral Care of International Students** published by the New Zealand Qualifications Authority (NZQA). Copies of the Code are available on request from this institution or from the NZQA website at:

<http://www.nzqa.govt.nz/studying-in-new-zealand/code-of-practice-for-the-pastoral-care-of-international-students/>

Kirkwood has a programme approval from the Code Administrator to enrol students who have come to New Zealand without a parent. This has been a requirement for schools enrolling students in Year Seven and Year Eight since 1 July 2004.

The International Student Coordinator, Mrs Alison Xie, is responsible for coordinating the pastoral care of international students. She assists with the pastoral care of international students and communication with parents and caregivers.

ESOL teaching support is available as first language support and first language counselling where required.

All enrolment enquiries and applications please contact the International Student Coordinator Mrs Alison Xie.

She is available to help with all enquires including the whole process of international enrolment, courses, visa application, medical and travel insurance, orientation, and pathway learning programme.

Her email address is: alisonxie@kirkwood.school.nz.

Procedures for enrolment and orientation of students when they first arrive at Kirkwood are contained in this enrolment pack.

1. RE: INTERNET/COMPUTER NETWORK ACCEPTABLE USE AGREEMENT

At Kirkwood we can offer our pupils the opportunity to have access to internet and e-mail facilities. Even though filters are in place, with this access, comes a risk of students accessing, or being exposed to inappropriate and/or offensive material. Part of our teaching strategy will be to guide pupils to appropriate sites and teach them how to react should they be faced with inappropriate material.

We have devised a set of standards for our pupils, outlined below, which we ask you to read and discuss with your child. We then ask you and your child to sign the user agreement and parent permission forms and return them to school as soon as possible (on the back of this page). Pupils who do not return both parts of the form signed will not be able to use the ICT for Internet or e-mail access.

Thank you for your support.

Yours sincerely

Phil Tappenden
Principal

SCHOOL INTERNET & E-MAIL RULES

- 1 The school ICT network is provided for pupils to conduct research and communicate with others. Access to these services is given to pupils who agree to act in a considerate and responsible manner. Parent permission is required. Access is a privilege - not a right. Access entails responsibility.
- 2 Network storage areas may be treated like school desks. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on the school server will always be private.
- 3 The following are not permitted:
 - 3.1 sending or displaying offensive messages or pictures;
 - 3.2 using obscene language;
 - 3.3 harassing, insulting or attacking others;
 - 3.4 uploading apps or programs onto a school computer or device;
 - 3.5 violating copyright laws;
 - 3.6 using another's username and/or password;
 - 3.7 trespassing in another's folders, work or files;
 - 3.8 intentionally wasting limited resources;
 - 3.9 employing the network for commercial purposes;
 - 3.10 using personal USB devices (except with teacher permission);
 - 3.11 publicising home addresses or phone numbers;
 - 3.12 social media including Facebook, Instagram, Twitter, Tik Tok, Snapchat, BeReal and Discord.
- 4 All computers and school devices, network equipment and printers are to be treated with respect.
- 5 Violations of the above may result in a loss of access as well as other disciplinary or, possibly legal action.
- 6 Please note that anyone using a device is subject to the provisions of the Crimes Act 1961 Section 216 (intimate visual recording) and the Harmful Digital Communications Act 2015. We suggest you make sure your children are aware of these, and any other relevant legislation.

2. Cell phones - Invisible, Inaudible or In the Office

As with many schools throughout New Zealand, we are being faced with many difficulties with cell phones.

We have had problems with cell phones being stolen or damaged and with pupils' texting threatening or demeaning messages and using phones inappropriately during the school day.

While we don't want to be heavy handed and we understand how important it is for some children to have easy access to a phone, we also don't want our children to be distracted from learning or suffer at the hands of text bullies.

We seek parental support.

If a child brings a cell phone to school, they have two options:

- One is to hand it in to the school office before 8.40am (please make sure it is turned off and named) and to collect it at 2:50pm;
- Put it in the classroom deposit box (which is then taken to the office for safety during the day after the 8.40am bell);

Technology is ever evolving and we expect pupils to use technology responsibly at all times.

If a member of the school staff sights a cell phone between the times a child arrives at school and the time they leave, it will be removed and placed in the school office to be collected by the child at 2:55.

If the same child is seen with a cell phone during school hours again, the cell phone will be removed, and the child's parent or caregiver notified before the cell phone is returned.

Pupils are not allowed to load the school's visitor's network onto their phones without a staff members' permission.

I would ask you to consider and to discuss with your child whether they need to bring a cell phone to school at all. Children are always welcome to use our school phone if they have any major concerns they need to discuss with their parents. We do not let children phone to ask parents to bring things they have forgotten or to discuss social arrangements.

If you still wish your child to bring a cell phone to school, at their own risk, would you please complete and return the permission slip on Page 7.

3. Bus Code of Conduct

Many students who attend Kirkwood Intermediate School catch the bus to and from school frequently. We believe that the way Kirkwood Intermediate students behave in public, especially when wearing our uniform, influences the public perception of our school. We want our students to act in a sensible and safe way and in a manner that is consistent with the school philosophy.

Because of this, we expect Kirkwood Intermediate students to:

- 1 Cross the road at the traffic lights where available.
- 2 Respect the rights of other people when waiting on the footpath.
- 3 Respect the safety of everyone around them by acting in a sensible manner.
- 4 When boarding the bus, allow adults to board first, and then board sensibly and in an orderly manner.
- 5 When travelling on the bus, show respect to others by sitting quietly, and by following the rules, for example, no eating or drinking, no shouting, no offensive language and by standing up and offering their seats to adults if adults are standing. I will also put my bag on the floor or on my knees, wait until bus stops before I stand up, walk quietly from the bus when I get off.
- 6 Use good manners.

We want our students to be well regarded by the public, and we want them to portray our school in a positive light. Therefore, we request that Kirkwood Intermediate students adhere to this Code of Conduct in order to safeguard not only the school's reputation, but also all members of the public who are also travelling on the bus.

If any of our students fail to behave in accordance with this Code of Conduct, we will:

- 1 Discuss the situation with the student(s) concerned and remind them of their obligations.
- 2 If inappropriate behaviours continue, we will contact the student's parents and ask for their support, and
- 3 If inappropriate behaviours still continue, we will request the bus company concerned to refuse to provide transport to the student who is behaving inappropriately.

***Please complete and sign the Bus Code of Conduct on Page 7
if your child intends to bus to and from school (or in school uniform).***

4. BYOD (Bring Your Own Device) Agreement – Guidelines/Rules

Students and parents participating in BYOD must sign and adhere to the Kirkwood Intermediate School Internet/Computer Network Acceptable Use Agreement **as well** as this BYOD Agreement.

No student will be permitted to use personal technology devices unless these two agreements are signed and returned.

Please read carefully and students need to initial every statement:

		Initials
1	<i>Students take full responsibility for their devices. The school is not responsible for the security of personal technology. Personal devices cannot be left at school before or after the school hours.</i>	
2	<i>Students must comply with the Internet/Computer Network Acceptable Use Agreement attached.</i>	
3	<i>Devices cannot be used during assessments, unless otherwise directed by a teacher.</i>	
4	<i>Students must immediately comply with teacher(s)' request to shut down devices or close the screen. Devices must be in silent mode and put away when asked by teacher(s).</i>	
5	<i>Students are not permitted to transmit or post photographic images/videos of any person on school or public and/or social networking sites.</i>	
6	<i>Personal devices must be charged prior to bringing them to school and run off their own batteries while at school.</i>	
7	<i>To ensure appropriate network filters, students will only use the BYOD wireless connection in school and will not attempt to bypass the network restrictions by using 4G or 5G network.</i>	
8	<i>The school has the right to collect devices and inspect files on any device brought to school if Kirkwood is reasonably satisfied the BYOD has been used to or is likely to endanger the safety of any person (including psychological safety) or been used to detrimentally affect the learning environment.</i>	
9	<i>It is the owner's responsibility to repair of any malfunctioning/damaged devices. Kirkwood Intermediate School does not supply technical services for student owned devices and that the device has an antivirus programme.</i>	
10	<i>Students should not physically share their personal devices with other students.</i>	
11	<i>That the use of personal devices to support educational experience is not a necessity but a privilege. With respect of the rules, this privilege will benefit the learning environment as a whole. Kirkwood Intermediate reserves the right to require that a student not use a BYOD at its sole discretion.</i>	

Note: Please complete this BYOD Policy Agreement along with the Policy Agreement slip on page 7. This must also be completed in conjunction with the Internet/Email access Policy Agreement.

5. Bicycles

- Students cycling to and from school are expected to observe the road rules – hand signals, looking behind, mounting/dismounting, keeping well left etc.
- Each student must wear a standards-approved cycle safety helmet and have a roadworthy bicycle.
- Students may not “double” other students to school and may not cycle in the school grounds during school hours unless it is an organised school event.
- Students must place their cycles in the cycle stands.

6. Scooters and Skateboards

- If your child wishes to bring their scooter to school, they must be locked up in the bike stands. They are not to be stored in classrooms or cloakroom areas. We would recommend wearing a helmet when scootering to and from school.

Tuition means the education of the Student at the School.

Period of Enrolment means any period for which Fees are paid and for the purpose of this Agreement the enrolment of the Student begins on the course start date stated in the Student's Offer of Place and ends on the course end date stated in the Student's Offer of Place, or on such earlier date as the parties agree or the School terminates the Agreement pursuant to clause 26 or 28 of the Agreement.

Preliminary Provisions

1. The Agreement is declared to be a Contract of Enrolment in terms of section 2 of the Act.
2. The School shall provide Tuition to the Student in accordance with school policies, the Code, the Act and any other applicable laws, in return for the payment of the Fee.

Terms of Agreement

3. Unless otherwise agreed in writing between the parties, the School's responsibility for the Student begins on the first day of the Period of Enrolment and ends on the last day of the Period of Enrolment, or in the event that the Student's Tuition is terminated, on the date of termination. The parties agree that any period of time in which the Student is in New Zealand before or after the Period of Enrolment will be at the risk of the Student and Parents/Legal Guardians and that the School will have no legal or moral responsibility for what occurs during this period unless otherwise agreed in writing in advance.
4. Except in the circumstances described in clauses 6, 7 and 8, the conditions in this Agreement apply for the whole time the Student is enrolled at the School during a Period of Enrolment. The Agreement may be renewed on application to the School in writing. Renewal of this Agreement is at the sole and absolute discretion of the School and is subject to satisfactory performance and attendance by the Student, the School making an Offer of Place for a further Period of Enrolment and the payment of Fees. For avoidance of doubt, should this Agreement be renewed the Period of Enrolment for the renewed term shall be that stated in the Offer of Place issued by the School to the Student in respect of the renewed term.
5. The School is not responsible for the Student if the Student chooses to leave New Zealand during the Period of Enrolment. Should the Student leave New Zealand during the Period of Enrolment other than as part of a School organised trip the School's responsibility for the Student shall cease upon the Student's departure and resume upon the Student returning to New Zealand.
6. This Agreement is deemed to be written agreement from the parents that the School is not responsible for the Student's day-to-day care where the student is in the custody of a residential caregiver who is a supervisor for the Student while the Student is in temporary accommodation and that supervisor is not a resident of New Zealand and is travelling with or accompanying the Student for the purpose of supervising them during the Period of Enrolment.
7. The School is not responsible for the Student's day-to-day care where the Student is in the custody of a person approved by the Parent or Legal Guardian as part of a handover of care arrangement in accordance with the Code.
8. During the Period of Enrolment, the Student must keep the School reasonably informed of his or her whereabouts including without limitation if the Student intends to leave New Zealand during the Period of Enrolment.

Accommodation

9. The Parents agree that where the Student is under the age of 10 years at any time during the Period of Enrolment, the Student will live with one or both Parents at all times unless the Student is accommodated in a School Hostel. For the avoidance of doubt, students aged 10 years and over may live with a Residential Caregiver.
10. The Parents agree that no changes to accommodation arrangements will be made whatsoever without the prior written agreement of the School.
11. The Parents agree that this Agreement is subject to and conditional on the School being satisfied that the Student has appropriate accommodation arrangements in place and, where applicable, an Accommodation Agreement or Designated Caregiver Agreement being entered into by all relevant parties.
12. For students not living with the Parents, the Parents irrevocably authorise the Principal of the School to advise the Residential Caregiver (whether or not arranged through the school) of all matters and information required to be provided to the Parents and agree to appoint the Residential Caregiver in New Zealand to receive such information in substitution for the Parents.

Immigration and Insurance

13. The Parents agree to comply with the immigration requirements as set out in the Immigration Act 2009, and any immigration conditions applicable to the Student's stay in New Zealand. The Parents understand that the School has an obligation to report any breaches of the immigration requirements to the appropriate immigration authority.
14. The Student must maintain an up-to-date visa as stipulated by Immigration New Zealand.
15. The Parents agree that it is a condition of enrolment that the Student has current and comprehensive travel and medical insurance. Where insurance is not arranged by the School, the Parents will provide the School with evidence of the relevant insurance policy and certificate. If appropriate evidence is not provided, the School may organise insurance it considers appropriate and pass on this cost to the Parents or may refuse to allow the student to attend classes until appropriate evidence of insurance is provided.
16. The Parents agree they have read the policy details for the Student's travel insurance policy and any other relevant information provided by the insurer from time to time and:
 - (a) agree that where the School arranges the insurance, the Parents have disclosed all medical conditions that may affect insurance cover, and
 - (b) accept all exclusions that apply to the insurance cover.
17. The Parents agree to cover any costs for the Student that are excluded by the Student's travel insurance policy and that not covered by publicly funded medical services in New Zealand. For the avoidance of doubt, the Parents agree that the School is not responsible for any costs incurred on behalf of the Student that are excluded by the Student's travel insurance policy or not covered by publicly funded medical services in New Zealand.

Fees

18. The Fees must be paid to the School in advance of each Period of Enrolment or as otherwise directed by the School. The Parents agree to comply with school policies regarding the payment of the Fees.
19. If Tuition is terminated by the School during a Period of Enrolment, in accordance with the Act and the Code, any refund of the Fee applicable to that Period of Enrolment will be assessed in accordance with the refund policy contained in Schedule Three, as updated by the School from time to time.

Information, Warranties and Acknowledgements

20. The Parents agree to provide the School with educational, medical, financial or other information relating to the wellbeing of the Student as may be requested from time to time by the School. For avoidance of doubt, the obligation to disclose information continues during the term of this Agreement and the Parents must notify the School of any changing conditions in relation to the Student.

- (b) If the Parents fail to provide any information requested in relation the Students admission to the School, the School may be unable to process the Student's application.
- (c) This Agreement is conditional at all times on the Student having accommodation in New Zealand which complies with the Code. If this condition is unable to remain fulfilled, then this Agreement will be at an end.
- (d) Personal information of the Student and/or Parents collected or held by the School is provided and may be held, used and disclosed to enable the School to process the Student's eligibility to receive Tuition at the School and Accommodation.
- (e) The parents agree that where the Student lives in a school approved Homestay, this Agreement is subject to an Accommodation Agreement being entered into by the School and the Parents. Where the Student lives with a Designated Caregiver, this Agreement is subject to a Designated Caregiver Agreement being entered into by the School, the Parents and the Designated Caregiver. In either case, a breach by the Student of the Accommodation Agreement or of the Designated Caregiver Agreement will be deemed to be a breach of this Agreement.

25. Where the Student is in the care of a Residential Caregiver, the School shall seek specific written consent of the Parents before the Student participates in any activity either organised by the School or by another party which are considered to be adventure activities or extreme sports or are activities that are organised by the School and require the Student to stay away from their regular accommodation overnight.
26. Where the Student is in the care of a Residential Caregiver, except in the circumstances described in clause 24, this agreement is deemed to be written consent of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether consent is sought from domestic students in relation to the same activity.
27. Where the Student is in the care of a Residential Caregiver, unless otherwise agreed in writing by the parties, this Agreement is deemed to be written consent for leisure travel or stays organised and supervised by the Student's Homestay or Residential Caregiver (where applicable) where the travel is within New Zealand for a period of not more than seven days and does not result in the Student missing any scheduled school days.

KIRKWOOD INTERMEDIATE SCHOOL
SCHOOL COMMUNITY CODE OF CONDUCT
(Schedule One)

At Kirkwood Intermediate School, we believe that it is important that we embrace and continually foster a nurturing, caring and safe environment for our students, staff, whānau and school community. Our school is about promoting an inclusive environment that is student-centred, so that each child can truly grow and develop as a person during their time at our school.

Together we can demonstrate the importance of these values to our children, by building a culture that is premised on trust between all the following groups within our school community:

- Board of Trustee members
- Management staff
- Teaching and Support staff
- Parents/caregivers/whānau
- Students

At Kirkwood Intermediate School, as a community of learners, we encourage and embrace a model of reciprocal trust¹ for all our members. For our school this means that we value and promote the following inter-related elements that we believe will enable a trusting community of learners to be realised in practice:

- **Risk-taking**

A willingness to take risks and foster it in others is encouraged at Kirkwood.

- **Confidence**

At Kirkwood we want all our community members to feel confident that they are in a context that enables them to be able to take risks.

- **Wellbeing**

It is important that all our community members believe that their wellbeing, or something they care about will not be harmed in any way.

- **Reliability**

We believe that it is important at our school that everyone is consistent in their behaviour so we know what we can expect from others.

- **Competence**

At our school, because we believe in working collaboratively and have a desire to foster interdependence, it is important that all groups of people act in a competent manner in their respective roles.

- **Homestay**

We value honesty and therefore have an expectation within our school community that everyone is truthful (from that person's perspective at least) and that commitments about future actions will be kept.

- **Openness**

We aspire to an openness in which any relevant information is shared openly with all interested parties. Furthermore, at our school we promote an environment where everyone can share information without fear of negative reprisals.

SUMMARY

At Kirkwood Intermediate School we embrace ideals of an inclusive learning community for all members. We do this through being explicit about our values in relation to building a trusting community of learners. We believe that through the development of reciprocal trust within our school community, our students will enjoy the most optimal context for learning.

Disciplinary Policy (Schedule Two)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will try, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and decide the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has decided that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student and the Parents will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will aim to provide the Student and the Parents with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact the Parent before giving a response, unless the delay caused by contacting that person is unreasonable keeping in mind the seriousness of the Allegation or Proposed Action;
 - (e) an opportunity to have an independent support person of their choice present at any meeting relating to the disciplinary process;
 - (f) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (g) an opportunity to have a translator present (or otherwise enable the student to participate in the process in their own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (h) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student and the Parents of the Allegation and will provide them with an opportunity to give a response.
10. Where appropriate, keeping in mind the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
11. When the School makes a decision about the Allegation it will inform the Student and Parents, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

12. If the School determines that a breach of the Agreement has occurred, it will inform the Student and Parents of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and Parents with an opportunity to give a response.
13. Where appropriate, keeping in mind the seriousness of the breach, the Student and Parents will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before deciding the disciplinary action to be taken.
14. When the School decides the disciplinary action that it will take in response to the breach it will inform the Student and Parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and Parents have been informed of the decision.

 - (b) The Parents agree that if behaviours or conditions of the Student emerge after placement with a Residential Caregiver such that the Residential Caregiver is unable to provide the level of accommodation or care required for the safety and wellbeing of the Student, the School may terminate this Agreement.
 - (c) The Parents or the Student have the right under the Privacy Act 1993 to obtain access to and request corrections of any personal information held by the School concerning them in relation to the Student's placement with a Residential Caregiver.
 - (d) Under the Privacy Act 1993, any information collected may be provided to education authorities.

- (e) These terms and conditions may be varied by the School (acting reasonably) upon reasonable notification from time to time and will continue to apply until notified otherwise.
4. If the Parents provide misleading information or fail to disclose information about the Student prior to placement with the Residential Caregiver and during the term of the Homestay the School may (in its sole discretion):
 - (a) Charge the Parents such fees as required to adequately compensate for additional requirements due to providing misleading information or the lack of disclosure; or
 - (b) Terminate this Agreement.
 5. The initial appointment and ongoing engagement of the Residential Caregiver is subject at all times to:
 - (a) The Residential Caregiver and the School entering into a Homestay Caregiver Agreement or a Designated Caregiver Agreement; and
 - (b) The School's usual requirements and policies in relation to the Accommodation.
 6. The School will ensure that to the best of its ability:
 - (a) The Accommodation provides a safe, positive and healthy environment for the Student and complies with the Code;
 - (b) The Residential Caregiver's appointment has not involved any form of gift (financial or otherwise) to or from a third party;
 - (c) The appointment of the Residential Caregiver does not represent any actual or perceived conflict of interest, and that any possible conflict of interest has been notified to the School;
 - (d) The Residential Caregiver will take all reasonable steps to ensure the Student's compliance with New Zealand laws (including, where appropriate, informing the Student of such laws), and will immediately report any possible legal breach to the School; and
 - (e) The Student only engages in lawful, responsible and positive recreational activities outside of School.
 7. Unless otherwise agreed in writing by the parties, the Parents agree for the Student to travel and stay overnight within New Zealand in the care of their Residential Caregiver not more than seven days where the travel does not involve the Student participating in any adventure activities or extreme sports, or result in the Student missing any scheduled school days.
 8. The School will seek specific written agreement from the Parents for leisure travel or overnight stays of more than seven days or results in the Student missing any scheduled school days.
 9. The Student will seek specific written agreement from the School before the Student, being a Student of any age, participates in any activities which are considered to be adventure activities or extreme sports. The School will only give such Agreement where approved by the Parents.
 10. The School may take such measures as it considers appropriate (acting reasonably) to monitor compliance with the Code. This may include, without limitation, regular check-ins with both the Student and the Residential Caregiver.
 11. Unless otherwise agreed in writing, the Student will be entitled to start their Homestay at the Accommodation 5 days before the Period of Enrolment (as that term is defined in the Contract of Enrolment) commencing and 5 days following the end date of the Period of Enrolment (as that term is defined in the Contract of Enrolment). Should this Agreement be terminated before the expiry of the Period of Enrolment the Student will be required to move out of the Accommodation immediately. The School may, at its sole discretion, and without being required to do so, extend the time for the Student to vacate the Accommodation. Any such extension shall be given in writing and shall be without prejudice to the School's right to later insist that the Student immediately move out of the Accommodation.

Expectations

12. The Student will comply at all times with the Accommodation Requirements and the Parents shall work with the School to ensure such compliance.
13. In the event that the Student is removed from a Residential Caregiver for any reason, the School will take all reasonable steps to find, over a reasonable period of time (as decided by the School in its absolute discretion), appropriate alternative approved Accommodation for the Student.

14. The Student will treat the Accommodation with due care and respect, and the Student and parents are liable for costs associated with repairing any damage caused to the Accommodation by the Student. For avoidance of doubt, the School is not responsible for any damage caused to the Accommodation by the Student.

Fees

15. The Parents must pay all accommodation fees to the School according to the School's fee schedule as defined in the applicable Contract of Enrolment.

Termination

16. The School reserves the right to terminate this Agreement if the Student is in breach of the Accommodation Requirements.
17. If the Student is suspended, expelled or excluded from the School, the parties agree that this shall constitute a breach of the Accommodation Requirements and this Agreement may be terminated as a consequence.
18. Where this Agreement is terminated, fees may be refunded in line with School Policies.

General

19. This Agreement shall be construed and take effect according to the non-exclusive laws of New Zealand. In relation to any legal action or proceedings arising out of or in connection with this Agreement, the Parents:
 - (a) submit to the non-exclusive jurisdiction of the Courts of New Zealand; and
 - (b) agree that proceedings may be brought before any Court including any forum constituted under the Arbitration Act 1908 within New Zealand, and waive any objection to proceedings in any such Court or forum on the grounds of venue or on the grounds that the proceedings have been brought in an inconvenient forum.
20. Notices given under this Agreement must be in writing and given to the addresses set out in the Enrolment Application Form. Those sent by post will be deemed to have been received ten (10) days after posting. The Parties agree that email correspondence is a suitable means of communication and emails will be considered to have been received when acknowledged by the party or by return email.
21. This Agreement contains the entire understanding of the parties and overrides any prior promises, representations, understandings or agreements.
22. The parties acknowledge that before signing this Agreement, they have had the opportunity to seek independent legal advice about its content and effect.

Disputes

23. The parties agree that any dispute in relation to this Agreement will be resolved in line with the Code and the School Policies.

Accommodation Requirements

While living in a School approved Homestay, the Student agrees:

1. To comply with all laws of New Zealand.
2. Not to engage in any social or leisure activities that may place them, other persons, in undue danger or risk of harm. This includes the Student putting himself or herself in a position which may give rise to suspicions or allegations of such activities.
3. To obtain written permission from Parents and the School before obtaining any tattoo, piercing or other bodily embellishments.
4. To comply with all Homestay rules, expectations and curfews set by the School and Homestay parents, including any policies of the School which apply.
5. To not use or do anything which may cause damage to the Accommodation, including applying hair dyes, or smoking cigarettes or engaging in any other activity that may cause damage to the Accommodation.
6. To keep the Homestay parents informed of their whereabouts at all times.
7. To stay at the Homestay address daily and not to travel overnight outside of the town or city (as defined by the School) where the Student is living without prior written permission of the School. This clause shall not prevent the Student travelling between the Homestay and the School.
8. To respect the privacy, values and property of the Homestay.
