Masking up for the start of Term 3

In previous years we have found there is an increase in winter illnesses in schools at the start of Term 3 as students bring back infections after travelling and socialising during the holidays. This year cases of COVID-19 are increasing in most parts of the country, and we are also seeing high numbers of other winter illnesses.

For the start of Term 3, 2022, the Ministry of Education and Ministry of Health **strongly recommend that all schools and kura amend their mask policy for the first four weeks of term to require mask wearing in all indoor settings (where it will not have a significant impact on teaching and learning – see below) for students in Years 4 and above.**

As a result of this, the Board has changed its Mask Wearing policy and is now requiring all staff, students and visitors who do not have an exemption to wear a mask when inside any school building.

This decision does not include any situation where mask wearing might not be practicable, such as while eating and drinking, playing certain musical instruments, indoor sport, where it will have a significant impact on teaching and learning (for example, students with particular learning needs), certain activities such as singing or drama performance on stage, and PE. In these situations, we will pay particular attention to ensuring there is good ventilation during the activity, and physical distancing where practicable.

We know that that some of our tamariki/ākonga are exempt from wearing a mask. If they have an exemption card or a letter from their health provider, or we have agreed that mask wearing is not practicable for them, we will support them to not wear a mask.

[Apply for a face mask exemption pass – Unite Against COVID-19](#)

Please make sure that tamariki/ākonga come to school ready to wear masks. Students should bring masks from home. If your child cannot bring masks from home, there will be a limited supply available at school.

Thank you for your support in protecting our school community.
